

# BioNanoMed 2017

8<sup>th</sup> International Congress  
Nanotechnology in Medicine & Biology  
20 - 22 March 2017, Krems / Austria

## BioNanoMed 2017 Nanotechnology enables Personalized Medicine

We have the pleasure of inviting you to submit your scientific work to the **8<sup>th</sup> International Congress - BioNanoMed 2017** – the exclusive Know-How-Transfer meeting for researchers, engineers, students and practitioners from **Natural Sciences, Medical Sciences** and **Engineering Subjects** throughout the world.

### 1<sup>st</sup> CALL FOR PAPERS

The scientific program of BioNanoMed 2017 will consist of invited lectures, contributed oral and poster presentations.

Your submissions should address the following topics:

### TECHNICAL SESSIONS

- Advanced Nanomaterials for Biomedical Applications
- Regenerative Nanomedicine - Nanotechnology and Stem Cells
- Nanotechnology for Detection, Diagnosis, Imaging & Sensing
- NanoPharmaceuticals - an Emerging Era
- Nanotherapy - a promising step to Personalized Nanomedicine
- Clinical Applications of Nanomedicine: Unmet Needs, Challenges, Success Stories & Failures in Clinical Trials

### THEMATIC SESSIONS

- I - Brain Targeting and Neurological Nanotherapeutics
- II - NanoSafety Implementation in Nanomedicine

### DANUBE UNIVERSITY KREMS POSTER AWARDS

Danube University Krems Poster Awards 2017 are granted to the three best poster contributions (€ 400 for the first, € 300 for the second and € 200 for the third place).

### EXHIBITION

**BioNanoMed 2017** serves as an excellent platform to present your company / institution, to promote your product portfolio and to establish direct links to a broad audience of experts.

### JOURNAL PUBLICATION

Abstracts will be published in Journal of Nanomaterials & Molecular Nanotechnology (JNMN)

### ORGANIZERS

**BioNanoMed 2017** is jointly organized by Techkonnex - High-Tech Promotion and the Danube University Krems in cooperation with Medical University Graz and University of Applied Sciences Krems

### CONTACT & INFO

office@bionanomed.at
