

H2020 NMBP

Nanotechnologies, Advanced
Materials, Biotechnology and Advanced
Manufacturing and Processing

📍 110 Rochester Row
London
SW1P 1JP

📅 Tuesday 10 October 2017

🕒 9:30 - 17:30

Overview

Innovate UK and the Knowledge Transfer Network are hosting the Horizon2020 NMBP event aimed at supporting collaboration across the UK and Europe. We will be promoting funding opportunities available for Nanotechnologies, Advanced Materials, Biotechnology and Advanced Manufacturing and Processing through Horizon 2020, the EU's largest research and innovation funding programme, with over €1 billion earmarked for calls in 2018-2020.

Learn

- Hear from the European Commission and the UK National Contact Point (NCP) about the development of the Horizon 2020 2018-2020 work programme and the forthcoming 2018 call topics
- Be inspired by success stories
- Gather information about the proposal evaluation and guidance on dos and don't's for proposal preparation

Connect

- Brokerage Activities - Pitch your project idea on stage and promote your profile on our networking walls
- Consortia Building & Proposal Development Workshop (by application only) – Team up with potential collaborators and brainstorm proposal ideas for the forthcoming calls topics covered by the event

Meet

- Informal networking during breaks staggered throughout the day
- Book 1-to-1 meetings with other delegates including NCPs, KTN, EEN
